

STUDENT TRANSPORTATION PERMISSION FORM

This form must be completed each school year with the list of activities approved attached when a parent wants to drive their child, grant permission for their child to ride with another adult, or have their child drive, to or from practices, games, events, etc.

Students are required to travel on busses, vans, or other transportation provided by the District to all school sponsored activities, practices and/or games/events. However, because of compelling needs, parents may need to transport their child or ward, or the student may need to drive himself/herself.
